Season Standings

This document shows the Championship Series Standings for all competitors that qualified for the Championship Series. All competitors who qualified will only be able to participate in the class in which they have earned the most points during this series.

To be eligible for the Championship Series, a driver must compete in more than half of the locally hosted events. Out of Region events do not contribute towards a competitor's eligibility. All events, both Local and Out of Region, will contribute towards the point total of a competitor. With one event left, any competitor who's attended 4 or more events is still eligible for Champion Series Points totals. After the final event, a minimum of 5 events will be needed to qualify.

For the 2021 Season, competitors will have their top 8 events scored for Championship Standings. This means the lowest scoring events over their 8 finishes will be dropped, including events that yielded 0 points either through placement or absence.

Competitors with points in multiple classes will be scored at the end of the season in the class in which they had accrued the most points.

Each page will contain the overall point standings of every competitor in any of the 7 indexed classes that the FLR Region tracks points for. These classes are:

- Pro (P)
- Street 1 (S1)
- Street 2 (S2)
- Street Touring (ST)
- XS/CAM (XC)
- Street Prepared/Street Modified (SP/SM)
- Prepared/Modified (PMod)
